**The awards selection process** at the Starbird-Devlin Rod & Customs Charities Car Show event is designed to honor and highlight a wide variety of models. The Starbird-Devlin Rod & Customs Charities Car Show event is about the passion people have for their cars and models. In our opinion every model deserves an award for all the hard work that has gone into your creation. Remember, it's not all about getting an award. Enjoy the event and make some new friends who have the same enthusiasm you do for our hobby and lifestyle. If you get an award it's icing on the cake of a great weekend! The bicycle awards ceremony will be held on Saturday, January 19 at a time to be determined.

**Contest Classes** - Since some bicycles can fit into several different classes, each builder must decide in which class the bicycle will compete. However, the judges will finalize all classifications prior to judging. First place trophies will be awarded in each class.

**Classes** - There will be six classes in which you can enter. The classes are 1) Antique Pre-1940, 2) Antique 1940 and Newer, 3) Custom, 4) Rat, 5) Junior (16 and under), and 6) Miscellaneous. There will also be a seventh award given to Best Of Show.

**Number of Entries** - Your \$20.00 entry fee will allow you to enter up to four bicycles under one entry. If you would like to enter more than four bikes, you must submit a second entry and will cost another \$20.00 for up to four more bicycles.
